SEAT BELT ROCKING CHAIR

White

The Seat Belt White Rocking Chair is one of many offerings in this contemporary seating collection by award-winning Thai designer Nuttapong Charoenkitivarakorn. The design was inspired by the intertwining spools of fabric seen when visiting a seat belt factory. Nuttapong's striking chairs are easily recognizable by the braided backside and stiletto profile. The straps are woven on a frame made of wood that is reinforced with metal. There are monochromatic and two-toned versions, each of which are available in many colors. We offer custom color matching for quantities of 16 or more. All of these reflect the ethos that the Phillips Collection personifies: modern organic.
