

## BICYCLE WHEEL SCREEN

Assorted

Bicycles are everywhere in Indonesia. When they break or are abandoned, we turn pieces of them into furniture and accessories, like our Assorted Bicycle Wheel Screens, to give them life again. By recycling what would end up being tossed to create wall art with an edgy vibe, we've made the metal room screens the perfect representations of the Phillips Collection ethos, which we call modern organic. Because no two are exactly alike, whichever you choose is uniquely yours.
