

## LARGE MOUTH BASS FISH

with Stand

The Large-Mouth Bass Sculpture is made of composite in a silver leaf finish. This likeness of the lake creature is a chameleon of style—place it in a modern kitchen and it takes on a zesty panache; put it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Large-Mouth Bass Sculpture with its luminous finish will bring the watery world inside. This is one of our pieces of decorative wall art that reflects the ethos that the Phillips Collection personifies: modern organic. We also offer this sculpture as a wall-mount.
