

STARFISH

Gold Leaf, Set of 4, LG

The Victorians were fascinated with botanical clippings, exotic flowers, and oceanic specimens collected on trips. Bringing the penchant for the seaside into contemporary times, the Starfish Large Gold Wall Sculpture Set includes four luminous creatures that create a whimsical wall of liveliness. Made of composite in a gold leaf finish, the gold starfish have realistic profiles that imitate their natural counterparts perfectly. These wall sculptures personify the Phillips Collection ethos of modern organic. We also offer this design as medium gold sculptures and large silver sculptures.
