

RIVER STONE COFFEE TABLE, POLISHED ALUMINUM, SMALL

There is something mesmerizing about the power of water and how it softens rock into a water-worn stone. Designer Jason Phillips found inspiration in Nature's ability to shape a hard surface into something beautiful when he envisioned the River Stone collection, which includes the River Stone Small Polished Aluminum Coffee Table. With no harsh lines or hard edges, there is no need to worry about bruised shins and bumped heads given the delicate outline of these stunningly simple pieces. Made of composite in a warm polished aluminum finish, this rock-shaped coffee table with its flat top, which is highly functional, is one of many products we offer in this collection, each of which reflects the ethos that Phillips Collection personifies: modern organic.
