

TALL CHISELED MALE SCULPTURE

Resin, Silver Leaf

Thin is in, as the saying goes, which means the Tall Chiseled Silver Male Sculpture will be a remarkably popular decorative accessory in any décor style. The patina of the chiseled surface of this very large sculptural piece makes it one of our most popular accessories. This pared-down sculpture is cast in composite in a silver leaf finish. We also offer the male sculpture in a bronze finish, and female sculptures in bronze and silver finishes. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
