

BOULDER WALL ART

Silver Leaf

The process of applying silver leaf by hand is a painstaking one that takes hours to achieve. We at Phillips Collection believe it is well worth the trouble because the luminosity of the surfaces that result from the art form is unmatched. Our Silver Boulder Wall Art illustrates this perfectly, as the attention to detail is obvious when it is viewed up-close, which makes it an exceptional piece of art for the wall. The ridges in the piece fool the eye into thinking the decorative wall accent is made of a chunk of solid stone but it is fashioned from composite, which means it is light enough to be easily hung. We also offer a gold leaf variant of this wall art, both of which reflect the ethos that Phillips Collection personifies: modern organic.
