

NOUVEAU CLUB CHAIR

Mist Gray, Stainless Steel Legs

With its mod profile, the Nouveau Mist Gray Club Chair is a throw-back to the swinging seventies with contemporary lines in its slim stainless-steel legs. Upholstered in a mist gray fabric with its spray of pale and dark patterns, the chair is comfortable to sit in thanks to the way it cups the body and the rolled back that offers maximum padding. We also offer the club chair covered in black fabric and in gray crushed velvet. These accent chairs reflect the ethos that Phillips Collection personifies: modern organic.
