SPLOTCH WALL ART

Rectangle, Silver Leaf

The moon couldn't have created surfaces as winsome as those on our Splotch series of decorative mirrors and wall art, which includes the Splotch Sparse Rectangular Silver Wall Art. Rather than molten metal creating the craters that flow along the tile, the decorative accent is made of composite in a silver leaf finish. We have a number of wall tiles in varying sizes and finishes in this family of accessories and we offer decorative mirrors in silver and gold. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
