PETIOLE WALL LEAF

Silver, MD, Version A

Statuesque walls demand lofty ornamentations and we created the Petiole Medium Silver Wall Leaf A for those whose rooms have high ceilings because they are perfect for creating large gallery wall installations. Made of composite in a silver leaf finish, this is one of our decorative wall sculptures that illustrates the talents of our finish artisans who create luster and depth by how they apply the coating. We offer the Petiole leaf sculptures in several styles and finishes, all of which reflect the ethos that the Phillips Collection personifies: modern organic.
