

ATLAS SIDE TABLE

Natural

In Greek mythology, Atlas was the Titan tasked with holding up the celestial heavens. While we certainly don't have any claims to eternity, these extraordinary new pieces from Phillips Collection will certainly leave an impression that will endure. Atlas is a perfect example of Phillips Collection's ethos: organic contemporary. Through exquisite design and craftsmanship, it combines Nature's finest castaways in a warm contemporary setting. Support is created for each lovingly polished fragment with a symphony of science and art. The unusable becomes triumphantly functional with a flair that demands a double take. The Atlas Collection--exclusively from Phillips Collection. Each one unique, each one guaranteed to start a conversation.
