

SLANT DINING CHAIR

Natural

At Phillips Collection, we are highly selective in the wood we source. Chamcha is a fast-growing species of the Acacia family and is native to Thailand. We are drawn to the beautiful wood grains and blonde sap lines that create this two-toned natural finish. No need to change what Nature has already perfected!

Size	22x18x37" h (23x19x38" h packed)
Weight	21 LBS (23 LBS packed)
