

MEDALLION WALL ART

Amber

When a room needs a bit of an edge, look no further than the Medallion Amber Wall Art. The rust-colored sculpture with its patinated amber medallion is alive with texture. The piece will light up an industrial chic room and will be just as at home in a modern farmhouse aesthetic. Line them up to make a gallery-wall installation, and give it more power by mixing and matching the off-white version of this design. Both of these exemplify the Phillips Collection ethos of modern organic.
