

FLOWER WALL ART

Small, Dandelion, Metal

The lacy artistry of the Small Yellow Flower Wall Art will make a dramatic statement on its own; arrange it with the medium and large sizes in the same bright yellow, and you bring a room a massive dose of loveliness. The filigree effect of the profile, which is cut from metal and powder coated for a rich, lasting finish, will throw textural shadows on surrounding surfaces that will evolve with the movement of the sun. If yellow is not the perfect color for a space, we offer the floral wall sculptures in copper, blue, white, red, and ivory hues. Each of the offerings in this collection reflects the ethos that Phillips Collection personifies: modern organic.
