

## SEAT BELT ROCKING CHAIR

Silver

This contemporary seating collection is by award-winning Thai designer, Nuttapong Charoenkitvarakorn. Inspired by the intertwining spools of fabric upon a visit to a seat belt factory, Nuttapong's striking chairs are easily recognizable by the braided backside. Woven on a frame made of wood and metal, the two-toned fabric playfully reveals a touch of color while maintaining a sophisticated style. Available in many colors ranging from black, white, grey to bolder colors like purple, red and lime green. Custom color matching available for quantities of 24 or more. Also available as a dining chair.
