Seat Belt Dining Chair, Gold

collection
every piece a conversation

This contemporary seating collection is by award-winning Thai designer, Nuttapong Charoenkitivarakorn. Inspired by the intertwining spools of fabric upon a visit to a seat belt factory, Nuttapong's striking chairs are easily recognizable by the braided backside. Woven on a frame made of wood and metal, the two-toned fabric playfully reveals a touch of color while maintaining a sophisticated style. Available in many colors ranging from black, white, grey to bolder colors like purple, red and lime green. Now offering two metallic options!
