

SEAT BELT DINING CHAIR

Brown/Brown

This contemporary seating collection by award-winning Thai designer, Nuttapong Charoenkitivarakorn, is inspired by the intertwining spools of fabric upon a visit to a seat belt factory. Nuttapong's striking chairs are easily recognizable by the braided backside and stiletto profile. The straps are woven on a frame made of wood that is reinforced with metal. The two-toned fabric playfully reveals a touch of color while maintaining a sophisticated style. Available in many colors ranging from black, white, grey to bolder colors like purple, red and lime green.
