

AMETHYST SCULPTURE ON STAND

LG, Assorted

Amethyst boasts an intoxicating violet hue that has made it a staple in the world of jewelry. Rather than using it to make bracelets or necklaces, Phillips Collection aimed to go bigger with our tabletop Amethyst Accessories. These modest cuts of natural stone have been sourced from deep beneath the Earth's surface, and the glassy crystalline formations will add a sense of organic luster to any tabletop or surface in your interior space. These one-of-a-kind natural works of art will become the adhesive that pulls your design together. Propelling it from a cohesive idea into a naturally inspired design statement. These awe-inspiring accessories are also offered in many eye-catching styles.
