

CRAZY WIRE LOUNGING FEMALE

We at the Phillips Collection are known for our cheeky flair when it comes to our sculptural offerings and our Crazy Wire Collection is no exception. The Crazy Wire Cross-Legged Female has a whimsical profile that will inspire those looking for lighter moments in their interiors to say it is one of the most personable accessories to date. Woven from thin metal wire in a black finish, the nude sculpture has a dynamic presence at 55-inches high. We offer male and lounging female figures in this collection, and several different dog sculptures—all of which reflect the ethos that the Phillips Collection personifies: modern organic.
