

CRAZY WIRE BEAGLE

MD

We at the Phillips Collection are known for our cheeky flair when it comes to our sculptural offerings and our Crazy Wire Collection is no exception. The Crazy Wire Beagle Sculpture has a whimsical profile that will inspire those looking for lighter moments in their interiors to say it is definitely man's best decorative friend. Woven from thin metal wire in a black finish, the dog sculpture has a dynamic presence at 19-inches high. We offer male and female figures in this collection, and a retriever—all of which reflect the ethos that the Phillips Collection personifies: modern organic.
