

BUTTON END TABLE

Lichen Finish

The Button End Table is formed from resin and coated in our special hand-applied lichen finish. The table is first covered in copper leafing, then a light coating of acid is applied to the piece which causes a green patina to form. The clean, round shape of the table contrasts beautifully with the erratic and unpredictable nature of the finish. The result is an innovative accent piece that is minimalist, yet it possesses a larger than life personality. The Button End Tables are also offered in von braun and posh finishes as well.

Size	24x24x20"h (29x29x25"h packed)
Weight	28 LBS (34 LBS packed)
Material	Resin, Fiberglass
Finish	Lichen
