

## ICE SCULPTURE GLASS LAMP ON BASE

The profile of the Ice Sculpture Glass Lamp seems as if it has grown over time, ice crystals building up, day by day, to create a fluted, lacy shape. We've copied these moves to create this ivory work of art we've placed in a long, lean metal base. This elegant ivory table lamp will be a conversation piece in any interior, which makes it a perfect specimen for the Phillips Collection ethos of modern organic.
