

RIBBONED WOMAN LEANING RIGHT

Black/Silver, Aluminum

The Ribboned Woman Leaning Right Sculpture will add instant sophistication and texture to any room in a home. Capturing the characteristics of the nude body has been a fascination of some of the world's most lauded artists. Made of metal in a silver finish with black patina, this silver decorative accessory has a stippled surface and patina to make it read as strikingly vintage. The aged effect suits this decorative sculpture well, as she could as easily be a mummy as a performing artists frozen in motion. We also offer a left-leaning version of this sculpture for a perfect duo, both of which reflects the ethos that the Phillips Collection personifies: modern organic.
