

## RIPPLE COFFEE TABLE

Black/Silver, Aluminum

Any designer will affirm the importance of texture in a space, which makes the Ripple family of furnishings a favorite. The Ripple Gray Coffee Table is made of aluminum in a mix of black and silver finishes, the intermingling of the dark and bright highlighting the peaks and valleys of the striated surface to heighten the texture even further. We also offer two sets of four wall disks, a round mirror, a silver coffee table, and a side table in this family of products. This gray coffee table reflects the ethos that Phillips Collection personifies: modern organic.
