

FROSTED GLASS BOTTLE

Small

While clear glass disappears, frosted glass in a pale turquoise hue makes a statement. Our Frosted Glass Bottles with their tried-and-true profile will be a personable object d'art that reflects a timeless design statement. We have three sizes in these decorative bottles, each in a whispery blue, which makes them perfect for arranging in a grouping on a kitchen island, a shelf, or a kitchen counter. Our Frosted Glass Collection also includes curvy vases, slim vases, and bottles—all of the designs reflecting Phillips Collection's ethos: modern organic.
