

FROSTED GLASS VASE

LG

While clear glass disappears, frosted glass in a pale turquoise hue makes a statement. Our Large Frosted Glass Vase with its slim profile will be a personable object d'art even when it is free of flowers. We have three sizes in these decorative vases, each in a whispery blue, which makes them perfect for arranging in a grouping on a foyer table, a shelf, or a kitchen island. Our Frosted Glass Collection also includes curvy vases, bottles and lidded bottles—all of the designs reflecting the ethos that Phillips Collection personifies: modern organic.
