

MAHOGANY WOOD SCULPTURE

Table Top, Size, Shape, Styles Vary

We let Mother Nature be the sculptor of our Mahogany Wood Sculpture. It is the perfect example of how we at Phillips Collection rescue remnants of wood from being Nature's finest castaways by making them into elemental design statements. This is one of our assorted items so shapes and surfaces will vary, though the dramatic beauty of the decorative accessories doesn't, which makes them constant sources of interest in any room to illustrate our ethos of modern organic.
