

METALLURGY SCULPTURE

Round, Wood/SS

This magnificent Metallurgy Sculpture was created by the Balinese artist Putu Pardika. Here he harnesses the contrasting forces of steel and wood emulating the nature of this idyllic island with its scorching sun and crashing waves caressing the serene forests and gardens. The lovingly aged and patinated teak is surrounded by triple layers of hand worked stainless steel creating a piece that is both moving and at peace.

Size	60x20x102"h (64x24x106"h packed)
Weight	750 LBS (850 LBS packed)
Material	Wood, Metal
Finish	
Color	Silver, Black, Brown
SKU	ID78273
