

SWIRL WALL TILE

Teak Wood, Assorted

Childlike in its rendering, the Swirl Wall Tile will bring a hint of whimsy to a room. This round teak wall tile is lively when hung singly but group them in an arrangement and watch them gain even greater felicity. The warmth of the teak and the powerful woodgrain on the surface of the circlet would normally make this wood sculpture traditional in style but the clean lines of the rings bring it a modern organic vibe for which Phillips Collection is known.
