FREEFORM COFFEE TABLE

Wild and unconventional, the Natural Freeform Coffee Table proudly displays shapes that can only occur in Nature. The Freeform collection is a showcase of how the Earth itself is the ultimate artisan and celebrates the beautiful asymmetry we see all around us every day. Available in all manner of shapes and sizes, as well as many different kinds of wood, each one of these tables are unique and one-of-a-kind works of natural art. The Freeform Coffee Tables are the very definition of the Phillips Collection ethos: modern organic.
