

## TEAK SCULPTURE ON STAND

We at Phillips Collection believe that the wonderful teak wood simply speaks for itself, which is where the Teak Sculpture on Stand comes in. Affixed to a sturdy iron stand, the star of this piece is the wood itself, rather than the form it takes. We take the most beautiful pieces of teak wood in our possession then let the unmistakable grain and organic curvature take center stage. Each piece features its own distinct coloration and wood grain character, making each Teak Sculpture unique. Every Teak Sculpture on Stand reflects the ethos that Phillips Collection personifies: modern organic.
