

INTERSECTION COFFEE TABLE

Natural/Brass Finish

Inspired by elements of architecture, this collection was designed using linear, intersecting lines that provided a signature touch to an otherwise boxy shape. Much like interior architecture, the element of surprise was captured by combining soft finishes to a simplified shape, making way for the celebration of unique style and a perfect partnership between metal and wood.

Size	48x28x17"h (50x30x19"h packed)
Weight	164 LBS (175 LBS packed)
Material	Suar, Metal
Finish	
Color	Brown
SKU	ID94280
