

## POSING DOG SCULPTURE

Black/Silver, Aluminum

The fact that it is both playful and powerful makes our Posing Dog Sculpture a paradoxical decorative sculpture. Ears perked and expression attentive, it's man's best friend without the hassle of maintenance! A true artisanal piece, the decorative dog sculpture is made of aluminum in a variegated finish in which black and silver bring it added patina. We also offer this design as walking dog and prancing dog sculptures. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
