

LOTUS LEAF WALL TILES

Set of 3, Black/Silver, Aluminum

One of the most sacred symbols in some cultures is the lotus leaf. It's also one of the most beautiful natural elements in the world. We've captured that loveliness with our Lotus Leaf Wall Tile Set, which is made of aluminum in mix of silver and black finishes. The glowing surfaces of these decorative sculptures is silver and the darker veining, which brings the silver sculptures subtle texture, is black. This set of wall sculptures will bring Nature into interiors, which is one of the hallmarks of the Phillips Collection ethos, which is modern organic.
