

MUSHROOM COFFEE TABLE

A disc of stone placed atop a stone base is as elemental as coffee tables come. Illustrating Nature's talent at solidifying material is our Mushroom Stone Coffee Table that is made from an organically shaped slice of stone balanced on a stone base. The undulant edge and the textural stippling of real rock means this stone coffee table reflects the ethos that Phillips Collection personifies: modern organic.

Size	50x40x19"h (58x47x23"h packed)
Weight	800 LBS (880 LBS packed)
Material	Stone
Finish	
Color	Gray
SKU	ID96097
