

ORIGINS DINING TABLE, LIVE EDGE

Mahogany, Brushed Stainless Steel Legs

Made from mahogany wood, the Natural Origins Dining Table is the crown jewel of the Origins Collection. These beautiful dining pieces are a love letter to the raw, natural beauty of the wood they are crafted from. Origins Dining Tables are available in many different configurations as well: live and straight edge, natural or gray stone finishes, and many different kinds of legs to choose from such as brushed stainless steel or satin black iron. Each Origins Dining Table is a truly one-of-a-kind work of art. No matter the configuration, these tables are the very definition of the Phillips Collection ethos: modern organic.
