

ONYX WALL DÉCOR

We at Phillips Collection are known for both our breathtaking assortment of onyx bowls and our innovative statements in wall decor. We dreamed of translating our expertise in both categories into one amazing piece, and the Onyx Wall Decor is the realization of this dream. As is the nature of pieces involving real stone, no two pieces will share the exact same color or shape, making your particular wall decor a unique piece that can't be found anywhere else. This piece is the perfect representation of the Phillips Collection ethos: modern organic.
