

MOLTEN COFFEE TABLE

Poured Brass in Wood, Brass Legs

What started as an experiment of mixing metal with wood evolved into this stunning collection of furniture and wall art. Molten aluminum and brass are carefully poured into reclaimed wood from India. The temperature must be carefully controlled; too hot and the wood burns, too cool and the alloy doesn't distribute evenly.

Size	48x24x16"h (49x27x9"h packed)
Weight	88 LBS (100 LBS packed)
Material	Wood, Metal
Finish	Brass, Natural
Color	Brown, Gold
SKU	IN92218
