

MOLTEN COFFEE TABLE POURED BRASS IN WOOD

Brass Legs, SM

What started as an experiment of mixing metal with wood evolved into this stunning collection of furniture and wall art. Molten aluminum and brass are carefully poured into reclaimed wood from India. The temperature must be carefully controlled; too hot and the wood burns, too cool and the alloy doesn't distribute evenly.

Size	36x24x16"h (39x26x9"h packed)
Weight	78 LBS (83 LBS packed)
Material	Wood, Metal
Finish	Brass, Natural
Color	Brown, Gold
SKU	IN93152
