

RUFFLE CHANDELIER

Black/Brass

The fluted metal adornments on the Ruffle Black Chandelier, which dangle from the interior of the domed shade, were inspired by the ruffles on a dress. Made of metal in contrasting hues of black and brass, the black chandelier was designed by Mandy Shanahan. This is a flirty, fun fixture that will fit perfectly within any number of décor styles. We also offer the Ruffle as a white chandelier, as black and white pendant lights, and as wall sconces in both hues. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
