

RUFFLE SCONCE

Black/Brass

The fluted metal adornments on the Ruffle Black Wall Sconce, which gather as they extend from the interior of the triangular shades, were inspired by the ruffles on a dress. Made of metal in contrasting hues of black and brass, the black sconce was designed by Mandy Shanahan. This is a flirty, fun fixture that will fit perfectly within any number of décor styles. We also offer the Ruffle as a white sconce, as black and white chandeliers, and as pendant lights in both hues. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
