

RUFFLE SCONCE

White/Copper

The fluted metal adornments on the Ruffle White Wall Sconce, which gather as they extend from the interior of the triangular shades, were inspired by the ruffles on a dress. Made of metal in contrasting hues of white and copper, the white sconce was designed by Mandy Shanahan. This is a flirty, fun fixture that will fit perfectly within any number of décor styles. We also offer the Ruffle as a black sconce, as black and white chandeliers, and as pendant lights in both hues. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
