

BUTTON WALL TILE

Hammered Metal, Brass Finish

Made of hammered metal in a brass finish, the Gold Button Wall Tile is a whimsical decorative accessory with a tailored feel. Arrange these wall sculptures in multiple rows to create a gallery wall installation on an accent wall. Hammering the metal brings an extra dose of texture to this fun piece of wall art that has an artful center that looks as if it has been stitched onto the wall. We also offer a Button Wall Tile in a silver finish so you can mix and match different hues. This piece is the perfect representation of the Phillips Collection ethos: modern organic.
