

ONYX BOWL

Amber

Phillips Collection's Amber Onyx Bowls are naturally occurring, one-of-a-kind pieces of hand-carved art that were sourced from deep below the surface of the planet. The earthbound hue of these gorgeous tabletop accessories range between brown and amber shades. Beautiful natural banding patterns display splashes of color, creating a truly dazzling effect that will bring out the potential within your space. The result is a stunning blend of tones that remind us nothing can match the level of detail and craftsmanship inherent in everything created by the invisible hand of Mother Nature.
