## ONYX BOWL

### Zebra

Onyx, believed to represent strength and willpower, is an astonishing natural material found within the depths of the Earth. Phillips Collection's Zebra Onyx Bowl represents these virtuous qualities to a tee through the intense organic curvature that makes each bowl a one-of-a-kind work of natural art. The interplay between the ornate golden yellow hue and splashes of color from the banding create a truly dazzling effect that will bring out the potential within your space.
