

## ONYX PRISM LAMP

Gray

Lovers of contemporary rooms will adore the Onyx Prism Gray Lamp because it is a luminary with clean lines. But that doesn't mean it lacks personality because the cube that surrounds the light source reflects the veining that makes onyx so revered. The stone lamp is in two parts so the top cube lifts easily away from the base to make bulb-changing a snap. The ethereal glow of this lamp personifies the Phillips Collection ethos of modern organic.
