

MARLEY COFFEE TABLE

Resin, Copper Finish

Made of a triad of golf-tee shapes, the Marley Copper Coffee Table is a chic coffee table with a warm copper finish. The scalloped top that these shapes form make this a personable accent table in any space. We also offer bar tables in silver, faux bois, burnt, and gray stone finishes; and coffee tables in natural, gray stone, and burnt finishes. The Marley collection also includes bar stools in a number of finishes. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
