

AUSTRALIAN BAT FISH WALL SCULPTURE

Resin, Copper Patina Finish

The Australian Bat Fish Maroon Wall Sculpture is made of composite in a copper patina finish. This likeness of the seafaring creature is a chameleon of style—hang it in a dapper den and it takes on serious panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Australian Bat Fish Maroon Wall Sculpture with its textural patina will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. We also offer this sculpture in silver and gray versions. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
