SAIL FISH WALL SCULPTURE

Resin, Copper Patina Finish

The Sail Fish Maroon Wall Sculpture is made of composite in a copper patina finish. This likeness of the seafaring creature is a chameleon of style—hang it in a modern kitchen and it takes on a zesty panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Sail Fish Maroon Wall Sculpture with its luminous finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. We also offer this sculpture in a silver version. Both of these pieces of decorative wall art reflect the ethos that the Phillips Collection personifies: modern organic.
