

## FRAMED BRANCHES WALL TILE, WHITE, GOLD LEAF

Our extensive collection of Framed wall art fitted with natural wood and root specimens includes some of our most elemental remnants of harvested wood. We decided to create similar wall sculptures with a hint of bling like this Framed Branches Gold Wall Tile. The cast root is made of composite in a gold leaf finish fitted into a sleek white frame. The juxtaposition of these two reflects the ethos that Phillips Collection personifies: modern organic.

Size	16x6x14"h (17x7x15"h packed)
